CHIPPEWA NATIONAL FOREST

SUPERVISOR'S OFFICE

www.fs.fed.us/r9/chippewa

218-335-8600

Imagine spending time on a warm sunny beach, hiking a forest trail... fresh walleye, loons calling, a sunset and northern lights. All 22 campgrounds are accessible and located on 12 of the Forest's 1,300 lakes.

Campgrounds are generally open from mid-May to mid-September; some are open all year with no water or garbage pickup off-season though walk-in access may be required. Campground facilities vary from flush toilets and showers to rustic campgrounds with vault toilets and hand

pumps. Each campsite has a picnic table, fireplace, tent pad and parking spot.

For a fee, reservations may be made in advance at some of the campgrounds through the National Recreation Reservation System (NRRS) by calling 1-877-444-6777 or at www.ReserveUSA.com.

If you are seeking a more primitive experience, there are also over 400 free dispersed recreation sites on the Forest. For more information on these sites call 218-335-8600.

chippewa national forest campgrounds

BLACKDUCK AREA

Noma Lake Campground (B1) is located two miles northwest of Wirt, Minnesota on County Road 31. This campground has 14 sites surrounded by a beautiful stand of paper birch and white pine. Noma Lake offers good fishing for bass, northern pike, and panfish. A county boat ramp is located at the south end of Noma Lake. A fish cleaning station, fishing platforms and picnic area are also available.

Webster Lake Campground (B2) is located ten miles south of Blackduck, Minnesota on County Road 39. Follow Forest Road 2207 east for one mile, then drive two miles south on Forest Road 2236, the campground provides access to Webster Lake, a picnic area, and a large trail system. There are 15 sites available as well as a boat launch.

CASS LAKE AREA

The **Norway Beach Recreation Area (C1)** is located four miles east of Cass Lake, Minnesota on U.S. Highway 2. The recreation area offers a variety of family activities including 171 camping sites located in four campground loops; Norway Beach, Chippewa, Wanaki and Cass Lake. Interpretive trails, sandy beaches, a paved biking trail, boat ramps, a reservable picnic shelter and the Norway Beach Visitor Center are all nestled among red and white pines. There are firewood and recycling centers located at each campground. There are also showers and an RV dump station.

Knutson Dam Campground (C2) is nestled six miles east of Cass Lake on U.S. Highway 2 and five miles north on County Road 10. Located on the northeast shore of Cass Lake, this campground is know for its canoe access to the Mississippi River. Constructed by the Corps of Engineers, Knutson Dam was transferred to the Forest Service in 1926. Campground facilities include accessible toilets, a well, 14 campsites, picnic area a fishing platform and boat ramps providing access to Cass Lake and the Mississippi River.

Nushka Group Campground (C3) is located six miles east of Cass Lake on Highway 2 from Cass Lake. Turn north on County Road 10. Nushka provides a group camping experience for organizations or large family gatherings, with two campsites to accommodate up to 60 people. A large picnic shelter is a great place for family reunions or cookouts. Call 218-335-8600 for reservations.

The **South Pike Bay Campground (C4)** is known for its clear, secluded waters, fish, cultural history. It is located three miles south on Cass Lake, MN on Highway 371 and two miles east on Forest Road 2137. South Pike Bay has 24 campsites with a picnic and swimming area on the east side of the campground.

Winnie Campground (C6) is located 18 miles from Cass Lake, Minnesota. Take Highway 2 six miles east. Turn north on County Road 10 and drive two miles to County Road 91, turn right onto 91 and follow for 3.2 miles to FR 2171. Drive six miles northeast on Forest Road 2171 to Forest Road 2168, then four miles south to the campground. Winnie provides 35 campsites surrounded by red and white pine.

WALKER AREA

Mabel Lake Campground (W1) is located 26 miles east of Walker on Highway 200. Mabel Lake is a secluded campground with a beautiful, sandy beach. There are 22 campsites available. The surrounding forest is abundant with wildlife and nearby is the North Country Trail and Boy River Boy is an excellent river to paddle and view eagles, osprey and waterfowl.

Stony Point Campground (W2) is located 14 miles east of Walker, Minnesota on Leech Lake. There are 44 highly developed campsites at Stony Point, as well as a developed boat access, two boat harbors, swimming beach and picnic area. Stony Point is an open grassy campground surrounded by an old growth forest of oak, elm, maple and ash; some over 200 years old. Electricity, showers, an RV dump station and fish-cleaning shed are available.

DEER RIVER AREA

Deer Lake Campground (D1) is located 20 miles northwest of Deer River off Highway 46, four miles west on Eagle Nest Road (Forest Road 2198). The campground, located on the west shore of Cut Foot Sioux Lake, is split into two separate loops. North Deer Lake Campground has 17 sites, while South Deer Lake has 31 campsites. A boat ramp is centrally located between the loops and provides lake access via Biauswah Creek. The 26-mile Cut Foot Sioux National Recreation Area trail runs through the Deer Lake campgrounds and is designated for horseback riding and mountain biking. A designated swimming beach is located at North Deer campground.

East Seelye Bay Campground (D2) is located 20 miles north of Deer River on Highway 46. Turn west on Eagle Nest Road (Forest Road 2198) and follow the road for 2 ½ miles. East Seelye Bay has 13 campsites, a picnic area, a swimming beach, boat ramp and parking area. The Cut Foot Sioux National Recreation Trail runs past the campground and up along Seelye Point.

Mosomo Point Campground (D3) is located 19 miles north of Deer River on Highway 46. Turn west on Forest Road 2190, just a half mile past the Cut Foot Sioux Information Center. Mosomo Point reaches out into the transition area between Little Cut Foot Sioux and Big Cut Foot Sioux Lakes, and provides a protected spot off the big lake for fishing boats. There are 23 sites along Mosomo Point.

O-Ne-Gum-E Campground (D4) is located 18 miles northwest of Deer River on Highway 46, centered in the Chippewa National Forest's premier fishing area. With access to Little Cut Foot Sioux, Cut Foot Sioux, and Winnibigoshish Lakes, O-Ne-Gum-E attracts a large number of visitors each summer. There are 48 campsites available with 11 sites located along Little Cut Foot Sioux Lake.

Tamarack Point Campground (D6) is located 13 miles north of Deer River on Highway 46. Turn west off 46 onto County Road 9. Travel six miles south along County 9 before turning west onto Forest Road 2163. The campground is approximately five miles northwest on Forest Road 2163. There are 31 sites available at the campground with boat access and docking provided.

West Seelye Bay Campground (D7) is located 20 miles north of Deer River on Highway 46, and three miles west on Eagle Nest Road (Forest Road 2198). This campground provides 22 campsites and access to the boat ramp near the East Seelye Bay picnic Area. The campground is located on Cut Foot Sioux Lake which is well known for its excellent walleye and northern pike fishing.

Williams Narrows Campground (D8) is located 15 miles north of Deer River on Highway 46, then two miles west on William Narrows-Bowens Road (County Road 148). This campground, on Cut Foot Sioux Lake, has 17 campsites as well as a boat landing and swimming beach located between the upper and lower loops. Hikers can access the Simpson Creek trailhead by boating across the narrows, while bird watchers have an excellent chance of seeing bald eagles soaring overhead.

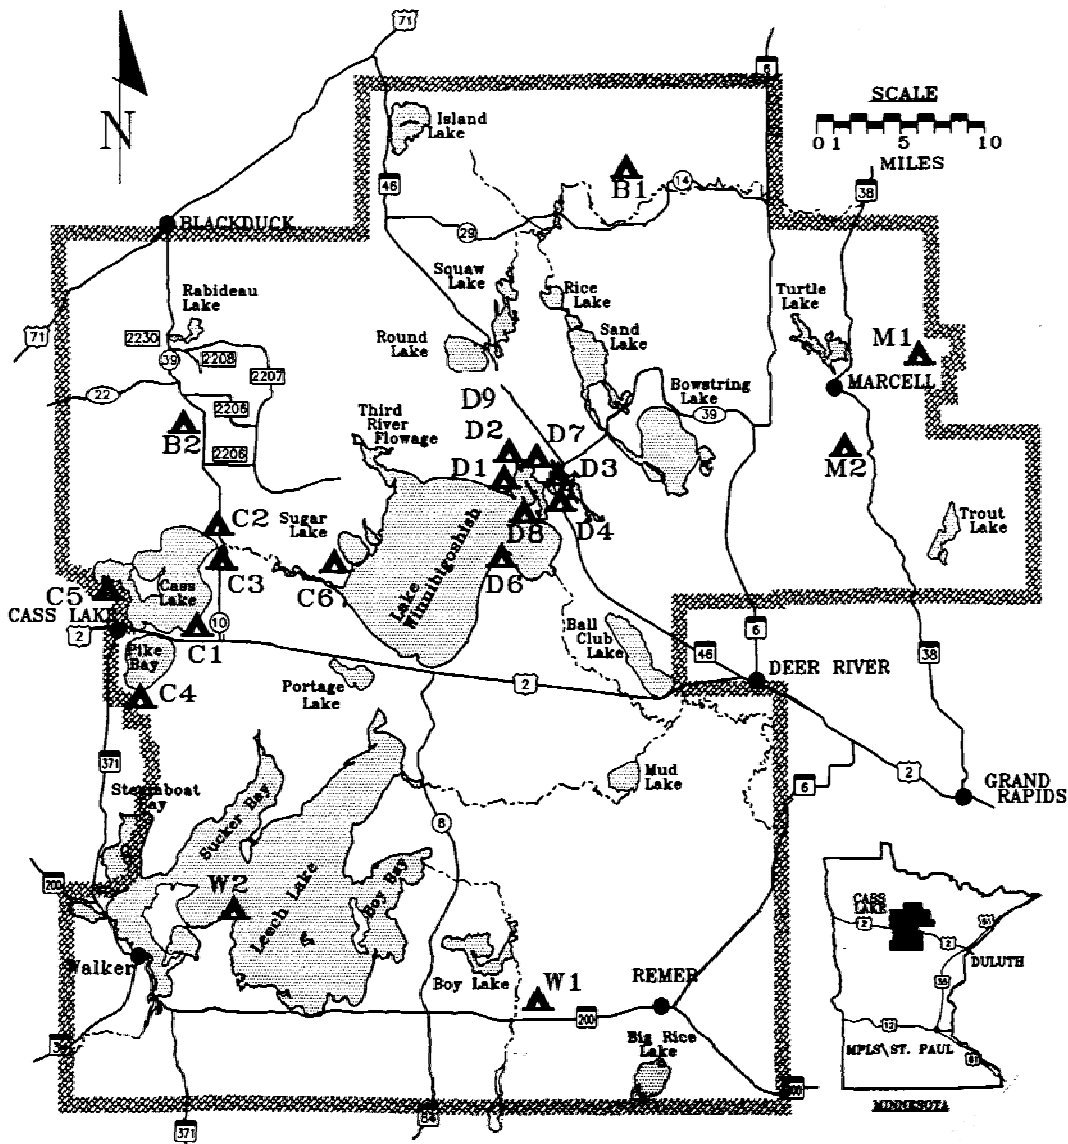

The **Cut Foot Horse Camp (D9)** has 34 sites and is surrounded by over 120 miles of Forest Roads and recreation trails. Drive 3.2 miles past the Cut Foot Sioux Visitor Center along Highway 46, turn left on Forest Road 2171 and go three miles. A picket line is provided for tying your horse and there are manure pits located at the campsites.

MARCELL AREA

Clubhouse Campground (M1) on the west shore of Clubhouse Lake, offers 47 sites, a sandy swimming beach, accessible fishing pier and day use area. Clubhouse Lake is 90 feet deep, perfect fishing for northern pike, bass and panfish. For those with a smaller boat or canoe, water access to several lakes is possible. The Rice River canoe route starts its journey to the Bigfork River from waters that flow into Clubhouse Lake.

North Star Campground (M2) is located four miles from Marcell or 25 miles from Grand Rapids. Thirty-eight campsites are located within easy walking distance of the sandy swimming beach. The lake has many sheltered bays and inlets to provide quiet water for ideal fishing.
